Do Your Dues Diligence in 2018

INVEST IN TREPAC!

Thanks to TREPAC - a REALTOR® who makes \$50,000 a year in commission and drives a \$30,000 vehicle saves on average over \$8900 a year

In 2011, TREPAC helped fight for and helped pass a revision to the Deceptive Trade Practices Act that effectively exempts real estate brokerage from liability under the act — as long as the broker or agent hasn't committed an unscrupulous or illegal act

In 2007, TREPAC was instrumental in preventing a property tax from being imposed on personal vehicles also used in the production of income

Voter approved increase of the homestead tax exemption to \$25,000, letting your clients keep more of their hard earned money. PLUS, a Constitutional Amendment BANNING transfer taxes in the state of Texas!!!

The occupations fee that Texas real estate brokers pay when applying for or renewing their two-year broker's license was repealed and took effect September 1, 2015. This is a \$300 savings.

When you make your Annual Dues Payment this year, think TWICE about the Real Estate industry and how much of an impact YOU want to make in the Real Estate Community and in your home!

Recommended TREPAC Investments: \$110 for Designated REALTORS® and \$45 for all others!
