Nominees must have a presence in Williamson County

Nominees should have contributed (volunteer or paid) hours to a program/event/activity that improves the livability of our community. The company's activities aren't limited to real estate or housing issues and may include such things as crime prevention, youth mentoring, homelessness prevention, etc.

Nominees should have made a significant company-wide effort, contribution of time, but contributions of money, materials, and other resources will be considered by the awards committee as well.

Nominees will be judged on the company contribution, the impact of company contribution, the broadness of impact, and the Company's suitability as a role model (can it be replicated and stimulate new ideas) for other WC Companies.

The nominee's community work must have taken place during the timeframe specified on the application form, but awards committee can also consider ongoing efforts outside that timeframe that demonstrate a depth of commitment.

Nominees should be able to document the results of their involvement through published reports and/or testimonials from the people they helped.

Nominations must be accompanied by a completed entry form. Companies may nominate themselves or may be nominated by a WCREALTORS member.
